BUILDERS GUARANTEE & WARRANTY:

- All homes are built to meet or exceed the current Ontario Building Code (OBC).
- Royalton Homes Inc., is backed by Taron Warranty Corporation
- Seven (7) years – major structural defects as per Taron Warranty Corporation program requirements.
- Two (2) years – plumbing, heating and electrical systems as per Taron Warranty Corporation program requirements.

- Homeowner(s) agrees to reimburse the Builder for the Taron Warranty enrolment fee as an adjustment on closing.

SELECTION OF FINISHES:

- Purchaser(s) to have a complimentary consultation with the Royalton Homes Design Consultant to select interior finishes from available selections at the Design Centre.
- The Purchaser(s) acknowledge that finishing material contained in any model home or sales office including furniture, plumbing & electrical fixtures, finishes including staircases, railings, trim, doors, hardware, cabinets and countertops may be for display purposes or available at an additional cost and may not be of the same grade or type, or may not necessarily be included in the dwelling purchased herein.

SPECIFICATIONS AND FEATURES AS DESCRIBED APPLY ONLY WHERE SHOWN ON PLANS:

- Builder reserves the right to substitute materials and/or suppliers of equal or greater quality at any time at their sole discretion. All plans and specifications are subject to modification from time to time at the sole discretion of the Builder. Exterior elevations will be similar to renderings shown, but not necessarily identical.

NOTES AND CONDITIONS:

Any reference to Builder herein shall mean the Vendor under the Agreement of Purchase and Sale.

- Builders' samples subject to their availability from the Builders normal supplier.
- Ceiling height may vary +/- due to normal site conditions, ceiling heights may vary in raised or sunken floor areas, stairways, cathedral/vaulted ceilings and bulkhead/dropped ceiling areas. Ceilings, bulkheads and walls may be modified to accommodate mechanical systems.
- Exterior stairs and number of steps may vary at any entranceway due to grading and site conditions.
- All plans, elevations and specifications are subject to modification from time to time by the Builder according to the Ontario Building Code, National Building Code and Architectural guidelines.
- The Purchaser(s) acknowledge and agree that where adjoining rooms are finished in different floor materials, there may be a difference in floor elevations between the rooms, and furthermore the Builder at its discretion may install thresholds as a method of finishing the transition between rooms.
- Purchaser(s) will not be allowed to undertake or complete any work and/or supply any materials to the dwelling before closing date.

- House types and streetscapes are subject to final approval of the municipality or developer's architectural committee and final siting and approval of the Builder's architect.
- The Builder shall be entitled to reverse the plan of the house being constructed.
- Purchaser(s) may be required to reselect colours and / or materials from Builders samples as a result of unavailability or discontinuation. Builder has the right to substitute materials with materials of equal or better quality.
- The Builder is not responsible for shade differences occurring from different dye lots on all materials such as tile or broadloom, roof shingles, hardwood floors, kitchen cabinets or brick. Colours and materials will be as close as possible to Builders samples but not necessarily identical.
- Location and size of windows and doors may vary with lookout and walkout deck conditions. All dimensions are approximate and actual dimensions may vary. Mechanical systems and hot water tank locations may vary.
- The Purchaser(s) shall indemnify and save the Builder, its servants and agents harmless from all actions, causes of action, claims, and demands for, upon or by reason of any of the Purchaser's guests, invitees, workman or agents who have entered on the real property or the subdivision of which the real property forms a part of, with or without the authorization, express or implied, of the Builder.

- The Purchaser(s) acknowledge and agree that variations from Builders samples may occur in finishing materials, kitchen and vanity cabinets, floors and wall finishes due to normal production process. Hardwood flooring may react to normal fluctuation in humidity levels producing gaping or cupping, both considered to be within acceptable industry standards. Furnace and hot water tank locations are subject to change without notice.
- Variations in Vendor's samples may occur in finished materials for bricks, designer stone, wall colours, kitchen and bathroom cabinets and flooring.
- Builder has the right to substitute materials with materials of equal or better quality.
- All illustrations/ renderings are artist's concepts only and may include some optional extras, fixture designs, stone, and style, that may vary from Builders standard samples unless specified to be included in the agreement.
- All floor plans convey approximate dimensions and actual dimensions may vary. Materials, specifications, and floor plans are subject to change without notice.
- Purchaser(s) acknowledge that all furniture, appliances, and accessories not stated to be included in the Purchase Price herein but included in the model home or contained in any brochure or advertisements, are for advertising purposes only and are not included in the Purchase Price and are not included with the dwelling being purchased herein.

- Room dimensions and window configurations may vary with final construction drawings or if required for building permit approvals.
- Purchaser(s) acknowledge that the construction site is inherently dangerous and is subject to very strict safety standards and controls. Purchaser(s) further acknowledge that it is a serious offence to enter on the real property and the subdivision of which the real property forms a part and the Purchaser, the Purchaser's guests, invitees, workman and agents are not permitted to enter on the real property or subdivision and the Purchase further agrees that it shall be responsible for and shall indemnify and save harmless the Builder from any damages due to injury to persons or property or work stoppage as a result of the Purchaser or the Purchaser's guests, invitees, workman and agents entering on the real property or the subdivision.
- Prices, specifications, features and finishes are subject to change without notice E. & O. E.
